

GIET Digital Brochure

Text-only detailed data for RAG ingestion

Source document	GIET University Digital Brochure PDF
Source URL	https://www.giet.edu/wp-content/uploads/2020/03/digital-brochure.pdf
Output type	Searchable PDF generated from text-only RAG data
Content policy	No images, logos, or graphical brochure content included

This PDF is optimized for study and RAG preparation. It preserves the semantic chunk structure, keywords, entity list, sample retrieval questions, and chunking recommendations from the text-only data.

Source document: GIET University Digital Brochure PDF

Source URL: <https://www.giet.edu/wp-content/uploads/2020/03/digital-brochure.pdf>

Purpose: Text-only detailed content prepared for Retrieval-Augmented Generation (RAG) ingestion.

Important note: This text is prepared from the publicly retrievable text content of the GIET University digital brochure search/click result. No images, logos, visual design elements, or graphical formatting are included.

Document Metadata

Institution Name: GIET University Location: Gunupur, Odisha, India Brochure Type: Digital Brochure / University Information Brochure Created Date mentioned in extracted source: 2/9/2020 7:53:28 PM Primary themes: Engineering education, B.Tech programmes, placement pathways, industry partnerships, facilities, scholarship, study loans, infrastructure and career preparation.

Rag Chunk 001: University Identity

GIET University is presented in the digital brochure as a university located in Gunupur, Odisha, India. The brochure uses the phrase "Excellence Our Essence" and promotes GIET University as a place to learn engineering in a modern and career-oriented way. The institution highlights engineering education, placement preparation, higher-study readiness, research, entrepreneurship and industry exposure as important parts of the student journey.

Keywords: GIET University, Gunupur, Odisha, engineering education, excellence, university brochure.

Rag Chunk 002: Value Proposition For Engineering Degree

The brochure describes how GIET University adds value to an engineering degree. It highlights a wide spectrum of engineering disciplines, rich industry-academia partnership, flexible choice-based learning with more than 50 open elective subjects, project-based experiential learning and startup activity. The brochure also states that GIET University has experienced faculty from institutions such as IITs, NITs, NISER, IISER, IISc, IIM, ICAR and OUAT.

Key claims from brochure text:

- Wide spectrum of engineering disciplines.
- Rich industry-academia partnership.
- Flexible choice-based learning.
- More than 50 open elective subjects.
- Project-based experiential learning.
- More than 10 startups in the first year as a university.
- Faculty from reputed national institutions.

Keywords: engineering degree, industry academia, open electives, experiential learning, startups, faculty.

Rag Chunk 003: Engineering Programmes

The brochure states that GIET University offers a wide spectrum of engineering programmes. The contemporary B.Tech programmes mentioned include Agriculture Engineering, Mechanical Engineering, Civil Engineering, Electrical Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Computer Science Engineering, Chemical Engineering and Biotechnology. The brochure text also references Computer Science and Technology, Electronics and Computer Science Engineering, Robotics and Automation, Aerospace Engineering, Petroleum and Petrochemical, Food Engineering and Technology and related engineering areas.

Programme-related entities:

- Agriculture Engineering

- Mechanical Engineering
- Civil Engineering
- Electrical Engineering
- Electrical and Electronics Engineering
- Electronics and Communication Engineering
- Computer Science Engineering
- Computer Science and Technology
- Electronics and Computer Science Engineering
- Chemical Engineering
- Biotechnology
- Robotics and Automation
- Aerospace Engineering
- Petroleum and Petrochemical
- Food Engineering and Technology

Keywords: B.Tech programmes, agriculture engineering, mechanical engineering, civil engineering, EEE, ECE, CSE, chemical engineering, biotechnology.

Rag Chunk 004: Additional Skill-Based Programmes

The brochure states that GIET University provides a pool of courses alongside regular programmes to enhance employability and industry readiness. It mentions additional degrees or learning areas in Internet of Things, Artificial Intelligence, Cloud Technology, Big Data and Data Analyst, Cyber Security, Ethical Hacking, DOT NET, Java, Python, Angular JS, CAD, CAM, PRO-E, CATIA, STAAD Pro, paper/food/rubber/sugar/petroleum technology, VLSI, PLC SCADA, Welding Technology and Mushroom Technology.

Skill areas mentioned:

- Internet of Things (IoT)
- Artificial Intelligence
- Cloud Technology
- Big Data
- Data Analyst
- Cyber Security
- Ethical Hacking
- .NET / DOT NET
- Java
- Python
- Angular JS
- CAD
- CAM
- PRO-E
- CATIA
- STAAD Pro
- Paper Technology

- Food Technology
- Rubber Technology
- Sugar Technology
- Petroleum Technology
- VLSI
- PLC SCADA
- Welding Technology
- Mushroom Technology

Keywords: employability, industry-ready courses, IoT, AI, cloud, big data, cyber security, ethical hacking, Java, Python, Angular, CAD, VLSI, PLC SCADA.

Rag Chunk 005: Placement Value And Industry Connections

The brochure emphasizes placement and industry connection. It states that GIET University has top MNCs offering industry packages, over 360 corporate giants or MNCs visiting the campus, more than 10,000 offers and a highest package figure mentioned as 17 LPA in the extracted brochure text. It also states that GIET University shares 25% common MNC recruiters with IITs and NITs among recruiters of 2019, mentions three Fortune 500 companies, and states that 18 MNCs offered pay packages of more than Rs. 5 lakhs per annum. The brochure also says the average pay package for the 2019 passing-out engineering batch reached up to Rs. 3.5 lakhs.

Placement-related figures mentioned in extracted text:

- 360+ MNCs / corporate giants visited campus.
- More than 10,000 offers.
- 17 LPA best package figure mentioned.
- 25% common MNCs with IITs and NITs among 2019 recruiters.
- 3 Fortune 500 companies.
- 18 MNCs offered more than Rs. 5 lakhs per annum.
- Average package for 2019 engineering batch reached up to Rs. 3.5 lakhs.

Keywords: placements, MNCs, recruiters, industry packages, corporate giants, 2019 placement, Fortune 500.

Rag Chunk 006: Placement Pathways

The brochure describes placement pathways at GIET University. It mentions resume preparation, interview workshops, job consulting sessions, career coaching sessions, career boot camps, business culture modules, career SWOT analysis and behavioral sessions. It states that the career transformation process begins from the day students enroll in their programme.

Placement pathway components:

- Resume preparation
- Interview workshop
- Job consulting session
- Career coaching session
- Career boot camp
- Business culture module
- Career SWOT
- Behavioral session

Keywords: placement pathway, career coaching, resume, interview workshop, career boot camp, business culture, behavioral session.

Rag Chunk 007: Career Pathway Categories

The brochure explains that because every individual is unique, students are allowed to choose a placement pathway based on their interests. It mentions multiple options or pathways designed according to student competency and industry needs. Pathways mentioned include corporate jobs, higher studies, research, entrepreneurship, government jobs, public sector undertakings and civil services.

Career pathways mentioned:

- Corporate pathway
- Higher studies pathway
- Research pathway
- Entrepreneurship pathway
- Government sector pathway
- Public sector undertaking pathway
- Civil services preparation pathway

The brochure states that higher studies preparation includes exposure to national and international entrance tests for admission into higher degrees. Research preparation includes exposure to research projects and dissertations. Entrepreneurship preparation includes handholding through Startup School and Entrepreneurship for setting up new ventures, modernizing existing businesses and engaging in social entrepreneurship or NGO-related work.

Keywords: career pathway, corporate jobs, higher studies, research, entrepreneurship, government jobs, PSU, civil services, Startup School.

Rag Chunk 008: Industrial Tie-Ups And Practical Training

The brochure mentions industrial tie-ups for hands-on practical training and certifications in collaboration with top brands. The extracted text explicitly names brands such as TATA, Oracle and Piaggio in the industrial tie-up section.

Industrial tie-up purpose:

- Hands-on practical training.
- Certifications.
- Collaboration with top brands.

Keywords: industrial tie-ups, practical training, certifications, TATA, Oracle, Piaggio.

Rag Chunk 009: Recruiter References

The brochure includes a recruiter-logo section. The extracted text references several recruiter names or brand names. Because the source is OCR/search-extracted text, some names may be noisy or partially distorted. Names clearly visible in the extracted text include Wipro, Huawei, Accenture, Cognizant, Collabera, Aditya Birla Group, Tata Consultancy Services, Hexaware Technologies, BYJU'S, Amazon, L&T Infotech, Diageo India, Jindal, Welspun, Mindtree, Piaggio, Faurecia, Motherson Sumi Systems Limited, Rane, Soddecia and others.

Use caution: recruiter names should be verified against the original brochure image/PDF before official publication because OCR from logo-heavy pages may introduce spelling noise.

Keywords: recruiters, Wipro, Huawei, Accenture, Cognizant, TCS, Hexaware, Amazon, LTI, Mindtree, Piaggio, Faurecia.

Rag Chunk 010: Infrastructure And Campus Facilities

The brochure describes GIET University as having ultra-modern facilities, international-standard infrastructure, vibrant campus life and illustrious faculty. It states that faculty are highly experienced and drawn from premier institutions in India and abroad. It mentions state-of-the-art laboratories, separate hostels, campus dispensary, campus buildings over 62 acres, a library, recreation and wellness centre and CCTV surveillance.

Facilities mentioned:

- International-standard infrastructure.
- Vibrant campus life.
- Illustrious faculty.
- State-of-the-art laboratories.
- Separate hostels.
- Campus dispensary.
- Allopathic and Homeopathic clinics.
- Ambulance facility.
- Campus built over 62 acres.
- Library with digital copies.
- Recreation and wellness centre.
- Playfields for football, cricket, basketball, volleyball, shuttle, badminton, gymnastics and other activities.
- 24-hour CCTV/video surveillance.

Keywords: infrastructure, laboratories, hostels, dispensary, ambulance, 62 acres, library, recreation, wellness centre, CCTV.

Rag Chunk 011: Hostel And Safety

The brochure states that GIET University has separate hostels. It describes the hostels as secure and guarded, with only GIETians and authorized personnel allowed inside. The brochure uses the phrase "home away from home" for the hostel environment. It also mentions 24-hour monitored video surveillance.

Keywords: hostel, secure hostel, guarded hostel, authorized personnel, home away from home, surveillance.

Rag Chunk 012: Healthcare And Wellness

The brochure says the university has its own Allopathic and Homeopathic clinics with ambulance facility. Recreation and wellness facilities include separate playfields for football, cricket, basketball, volleyball, shuttle, badminton, gymnastics and other activities.

Keywords: campus dispensary, allopathic clinic, homeopathic clinic, ambulance, wellness, recreation, sports.

Rag Chunk 013: Library And Laboratories

The brochure mentions a well-stocked library with digital copies. It also states that each laboratory is well-equipped to serve the requirements of the respective programmes. The laboratories are described as places for students to practise, experiment and innovate.

Keywords: library, digital copies, laboratories, practice, experiment, innovate, state-of-the-art labs.

Rag Chunk 014: Scholarships

The brochure states that GIET University is committed to institutional social responsibility and encourages bright students by providing additional benefits and facilities. It mentions scholarships worth Rs. 2 crore. The extracted text lists scholarship slabs based on percentage:

- 95% and above: 75% scholarship on academic fees.
- 90% and below 95%: 50% scholarship on academic fees.
- 85% and below 90%: 20% scholarship on academic fees.
- 80% and below 85%: scholarship on academic fees is mentioned, but the percentage is not clearly visible in the extracted text.

The extracted text also contains notes indicating applicability on B.Tech programmes from session 2019-20 and that scholarships are provided in order of priority, but the OCR text is incomplete/noisy in this section.

Keywords: scholarship, academic fees, merit scholarship, 95%, 90%, 85%, B.Tech, institutional social responsibility.

Rag Chunk 015: Study Loans

The brochure states that GIET University along with State Bank of India offers need-based finance to students applying for educational loans at the university. It says a dedicated cell assists students and acts as a hassle-free one-stop solution for loan requirements. It also mentions no security or guarantee for loan amounts up to Rs. 4 lakhs, single-window on-the-spot clearance for loan processing, fast procedure, quick service and less documentation. The associate bank mentioned is SBI, Gunupur.

Keywords: study loan, education loan, State Bank of India, SBI, need-based finance, loan cell, no security up to 4 lakhs, single window clearance.

Rag Chunk 016: Rag Entity List

Main entities:

- GIET University
- Gunupur
- Odisha
- B.Tech
- Agriculture Engineering
- Mechanical Engineering
- Civil Engineering
- Electrical Engineering
- Electrical and Electronics Engineering
- Electronics and Communication Engineering
- Computer Science Engineering
- Chemical Engineering
- Biotechnology
- IoT
- Artificial Intelligence
- Cloud Technology
- Big Data
- Data Analyst
- Cyber Security

- Ethical Hacking
- DOT NET
- Java
- Python
- Angular JS
- CAD
- CAM
- PRO-E
- CATIA
- STAAD Pro
- VLSI
- PLC SCADA
- Welding Technology
- Mushroom Technology
- Placement Cell
- Corporate pathway
- Higher studies
- Research
- Entrepreneurship
- Government sector
- Public sector undertakings
- State Bank of India
- SBI Gunupur

Rag Chunk 017: Sample Questions This Text Can Answer

1. What engineering programmes are mentioned in the GIET University digital brochure?
2. What additional employability courses are mentioned in the brochure?
3. What placement preparation activities are listed for GIET University students?
4. What career pathways does GIET University describe?
5. What facilities are mentioned in the GIET University digital brochure?
6. What scholarship slabs are visible in the brochure text?
7. What study loan support is mentioned by GIET University?
8. What industrial tie-up brands are mentioned in the brochure text?
9. What does the brochure say about hostels and safety?
10. What does the brochure say about laboratories and library facilities?

Rag Chunk 018: Chunking Recommendation For Vector Database

Recommended chunking approach for this brochure text:

- Use semantic chunking by section, because the brochure contains theme-based content such as programmes, placements, facilities, scholarships and loans.

- Keep each chunk between 250 and 600 words where possible.
- Store metadata with every chunk: source_url, source_document, section_title, institution, location and data_quality_note.
- For OCR-noisy sections such as recruiter logos and scholarship notes, store a warning metadata field such as "ocr_quality": "noisy".
- Avoid image-only content because the user requested text-only data.

Suggested metadata fields:

```
{  
  "source_document": "GIET University Digital Brochure PDF",  
  "source_url": "https://www.giet.edu/wp-content/uploads/2020/03/digital-brochure.pdf",  
  "institution": "GIET University",  
  "location": "Gunupur, Odisha, India",  
  "chunk_title": "example section title",  
  "content_type": "text_only_brochure_extract",  
  "ocr_quality": "clean | noisy | partially_obscured",  
  "recommended_use": "RAG retrieval"  
}
```
